Experience

DevFest Bogor 2024 • Google Developer Group Community

9 Nov 2024 | Bogor City

- DevFest Bogor 2024 is a community-driven technology conference organized by the Google Developer Group (GDG) Bogor chapter. This annual event is part of the global DevFest series, celebrating the growth and impact of the GDG community. On November 9th, 2024, DevFest Bogor 2024 will feature talks, product showcases, and coding competitions across various themed halls:
Cyber Haven: Dedicated to sessions on Web Technology, Cloud Infrastructure, and Firebase. Shadow Alley: Focused on Machine Learning, Cloud AI, and Data. Neo Metropolis: Hosting discussions on Android, Flutter, and Kotlin Multiplatform.
